Re: Application for Renewal Registration of Electric Aggregator
MRDB Holdings LP d/b/a LPB Energy Management

Dear Ms. Howland:

In accordance with the N.H. Code Admin. Rules Puc 2003.05, please find enclosed the above referenced document. In addition, per the requirement of Puc 203.03, an electronic copy in an acceptable file format has been submitted via the electronic docket filing.

As permitted by Puc 201.05, we respectfully request a waiver of Puc 2003.05(a) requiring approved aggregator to submit an application for renewal at least 60 days prior to the expiration of the currently effective registration. Due to delays resulting from a recent change in personnel and internal transfer of our records and files, we have failed to submit our application within the stated time period. Please be informed, however, that we have complied with the obligations set forth in Puc 2000 and we do not have any changes to the information that was submitted to the Commission in our previous application.

Thank you for your attention to and consideration of this matter. Should you have any questions or require additional information, please feel free to contact our office at 972-383-5200.

Respectfully submitted,
