SUBJECT: DM 11-230 Notice of Kevin J. Cobb & Associates, Inc. dba Quest Energy Solutions' intent to renew its registration as a provider of electric aggregation service; Staff recommendation

TO: Debra A. Howland
Executive Director

On October 17, 2011, Kevin J. Cobb & Associates, Inc. dba Quest Energy Solutions (Quest) has notified the Commission of its intent to renew its registration as a provider of electric aggregation service. On November 21, 2011 Quest filed for waiver pursuant to Puc 2003.5 (a) which requires an application for renewal to be filed at least 60 days prior to the expiration of current registration. Quest cited change in staff and administrative oversight for the delay for filing the renewal of registration which expired on August 27, 2011. Considering the time difference between application due date and actual application date is considerably short, Staff recommends that the Commission grant the waiver of Puc 2003.02(a) for this renewal only.

The application has been reviewed and the Company has complied with the requirements of Puc 2006.02. Staff recommends that Quest's application to renew its registration as a provider of electric aggregation service in New Hampshire be approved.
