TO: Commission
Debra Howland

On November 18, 2011, FairPoint filed a proposed tariff to revise certain premise work provisions, for effect December 19, 2011. Staff requested clarifying information from FairPoint, and as a result of a family emergency, only received the information today. Staff requests the Commission extend the time to review this filing by 30 days, as permitted by RSA 378:6 IV.
