DM 11-265 Atlantic Power Partners, LLC  
Natural Gas Aggregator Registration Application

**TO:** Debra Howland  
Executive Director

Staff has completed its review of the natural gas aggregator registration application for Atlantic Power Partners, LLC, filed on December 8, 2011. In a letter filed on April 2, 2012, the attorney representing Atlantic Power Partners, LLC filed 1) a copy of its certificate of registered trademark with the New Hampshire Secretary of State, and 2) a correction to address the requirements of Admin. Rule Puc 3006.02(a)(6). The registration application is now complete and in compliance with the requirements of Puc 3003.04.

Staff recommends approval of the application for Atlantic Power Partners, LLC as a natural gas aggregator in New Hampshire. The effective date should coincide with the date of the approval letter. This is an initial natural gas aggregator registration and as such carries a term of two years from the approval date.

Should you have any questions regarding this registration application, please do not hesitate to contact Robert Wyatt of the Gas/Water Division.
