RE: DM 11-273 – REQUEST FOR WAIVER

Dear Executive Director Howland:

I am writing to request that the New Hampshire Public Utilities Commission, in accordance with NH PUC 201.05, grant The Legacy Energy Group, LLC a waiver for our Electric Aggregator Renewal Application, originally filed on December 12, 2011. Due to a record keeping error on my part, our Renewal Application was not filed a minimum of sixty (60) days prior to the expiration of our original license. The error occurred because I had mistakenly noted our electric aggregator license expiration date as 2-15-12; in actuality this was the expiration date of our New Hampshire Natural Gas Aggregator License.

Thank you very much for your consideration. Please do not hesitate to contact me if you have any questions or need any additional information.

Very Best Regards,

For THE LEGACY ENERGY GROUP, LLC
