RE: Northern New England Telephone Operations LLC
d/b/a FairPoint Communications - NNE – Revisions to NHPUC Tariff No. 3

Dear Ms. Howland:

Enclosed for filing please find one original and two (2) copies of revised pages to NHPUC Tariff No. 3 of Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE ("FairPoint Communications"). This filing makes revisions to incorporate the requirements of the Federal Communications Commission Report and Order in WC Docket No. 10-90, et. al., FCC No. 11-161 (released Nov 18, 2011) ("FCC Order") regarding the treatment of Toll VoIP-PSN traffic. As permitted by RSA 378:6, IV, FairPoint Communications respectfully requests that these tariff pages become effective in less than 30 days from the date of filing. This will allow the revisions to go into effect on or about December 29, 2011, in accordance with the FCC Order. These revisions do not impact retail customers and will result in lower rates to other carriers for certain access usage.

The following revised tariff pages are included with this filing:

Table of Contents, Page 2 of 33
Section 2, Page 18, First Revision Superseding Original
Section 2, Pages 19-21, Original
Section 6, Page 1, First Revision Superseding Original

Please acknowledge receipt of this letter and its enclosures by signing or stamping and dating the receipt copy of this letter. Any questions you may have pertaining to this filing may be directed to me at (407) 740-3031 or via email at stthomas@tminc.com. Thank you for your assistance.
