Re: **Application For Reinstatement of 2012 Q1 and Q2 RECs - Docket # 12-029; ISO Asset Identification # - NON 33828; and Durham Boat Company's NH certification code, NH-II-12-002.**

Dear Ms. Howland:

The Durham Boat Company, Inc. is hereby requesting to reinstate 2012 Q1 and Q2 RECs.

I was mistakenly under the impression that my Independent Auditor was doing the banking. I have since discussed it with James Webb and he explained the proper process in more detail. He sent me a spreadsheet indicating the number of RECs that could have been banked, if I had been aware of the correct process.

Please see parts of Spread Sheet that James Webb, NEPOOL sent me that apply to NH RECs:

Unit ID	Unit Name	State	Fuel Type	Month of Generation	Certificate Serial Nos.	Qty.	NH Class I	NH Class II
NON33828	29.375 KW Grid Tied PV	NH	Solar Photovoltaic	2012/2	343614 - 1 to 2	2	No	Yes
NON33828	29.375 KW Grid Tied PV	NH	Solar Photovoltaic	2012/3	343615 - 1 to 3	3	No	Yes
NON33828	29.375 KW Grid Tied PV	NH	Solar Photovoltaic	2012/4	348718 - 1 to 4	4	No	Yes
NON33828	29.375 KW Grid Tied PV	NH	Solar Photovoltaic	2012/5	348719 - 1 to 3	3	No	Yes

We respectfully request that you reinstate our 2012 Q1 and Q2 RECs so that we can bank them and ultimately trade them.

Sincerely Yours,

A handwritten signature in cursive script that reads "Coleen M. Fuerst".

Coleen M. Fuerst, President
