Re: DM 12-075, Electricity NH, LLC
Registration as an Electric Power Supplier
Financial Surety Requirements

Dear Ms. LeClerc:

On Friday, May 25, 2012 the New Hampshire Public Utilities Commission received a check for \$100,000 in lieu of a letter of credit in the above-referenced matter. N.H. Code of Administrative Rules Puc 2003.03(a)(1) relative to the reporting and financial requirements of competitive electric power suppliers states that the security required by Puc 2003.01(d)(4) shall "be in the form of a surety bond or other financial instrument showing evidence of liquid funds, such as a certificate of deposit, an irrevocable letter of credit, a line of credit, a loan or a guarantee." Accordingly, I am returning your check and we will place your application on hold until such time as the appropriate financial surety is provided. Please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
