SUBJECT: DM 12-075 Electricity, N.H., LLC d/b/a E.N.H. Power
Request to Provide Replacement Guarantee

TO: Commission
Debra Howland, Executive Director

B

On August 23, 2016, Electricity, N.H., LLC d/b/a E.N.H. Power (ENH Power), a registered competitive electric power supplier, filed a corporate parent guarantee (new guarantee) dated August 1, 2016 in the amount of \$350,000, intended to replace the guarantee it filed with the Commission on December 2, 2013 and dated November 11, 2013 (old guarantee). The new guarantee is executed by Spark Energy, Inc. (Spark Energy), and was filed together with notification that Spark Energy acquired ENH Power as of August 1, 2016. The new guarantee is proposed to replace the existing corporate guarantee executed by Noble Group Limited.

Staff has reviewed the new guarantee and has believes its terms to be acceptable. Like the old guarantee, the new guarantee is in the amount of \$350,000, has a term that is continuing, and names the Commission as the guaranteed party.

Because the amount, term, and other material terms and conditions of the new guarantee are believed to be acceptable, and because the guarantee was executed by ENH Power's new owner, Spark Energy, Staff recommends that the Commission accept the new guarantee as a replacement for the old guarantee as financial security for ENH Power.
