RE: ENH Power 2015 Annual RPS Filing (E-2500) ENH Power - Docket DM 12-075
Request for Rules Waiver of PUC 2503.05(c)(2)

Dear Ms. Howland,

As part of our 2015 RPS Compliance Filing, we banked 3,116 NH Class I RECs. Of this amount, 1,562 NH Class I RECs are included in our GIS 2015 Q4 My Certificates Disposition "Settled" accounts.

The remainder of 1,554 NH Class I RECs appear in our GIS 2015 Q4 My Certificates Disposition "Reserved" account (see Attachment).

Similarly, as part of our 2015 RPS Compliance Filing, we banked 151 NH Class III RECs. Of this amount, 142 appear in our GIS 2015 Q4 My Certificates Disposition "Settled" account.

The remainder of 9 NH Class III RECs appear in our GIS 2015 Q4 My Certificates Disposition "Reserved" account (see Attachment).

Therefore, ENH respectfully requests a rules waiver of PUC 2503.05 (c)(2) to allow us to bank the 1,554 NH Class I RECs we retired in our "Reserved" account. Any NH Class I RECs so retired in our "Reserved" account have not been and will not be sold, transferred or used for compliance in any other state.

Similarly, ENH respectfully requests a rules waiver of PUC 2503.05 (c)(2) to allow us to bank the 9 NH Class III RECs we retired in our "Reserved" account. Any NH Class III RECs so retired in our "Reserved" account have not been and will not be sold, transferred or used for compliance in any other state.

If you have any questions or require additional information regarding this rules waiver, please feel free to contact me.
