Re: DE 12-114, The Hamilton Residence Application Requesting Class II Eligibility for Renewable Energy Certificates (RECs) Generated by the Two Photovoltaic Arrays with a Total Electrical Output of 4.83 kW Located at 47 Mariette Drive, Portsmouth, NH 03801-6068, Pursuant to RSA 362-F.

Dear Mr. Hamilton:

On April 30, 2012, you submitted an application requesting certification the electrical production from a photovoltaic installation at 47 Mariette Drive, Portsmouth, NH, as eligible to produce Class II renewable energy certificates (RECs), pursuant to RSA 362-F, New Hampshire's Electric Renewable Portfolio Standard (RPS) law. An amendment to the application was received May 11, 2012. Staff requested additional information on May 22, 2012; the information required to complete the application was received June 11, 2012. Staff has reviewed the application and all submitted information and recommends approval, noting the application was completed June 11, 2012. The total nameplate capacity of the photovoltaic array at the Hamilton residence is 4.83 kilowatts (kW).

Class II eligibility requires a facility to produce electricity from solar technologies and to have initiated operation after January 1, 2006. The application indicates that the first of two photovoltaic installations at the Hamilton residence began operation on May 15, 2011. The second photovoltaic array began operation on June 8, 2012.

The facility's New England Power Pool (NEPOOL) Generation Information System facility code is NON 34107. The New Hampshire single certification code for the Hamilton residence array is NH-II-12-017.

June 26, 2012

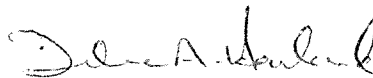

Page two

Pursuant to Puc 2502.13, the Hamilton residence is a customer-sited photovoltaic facility, therefore, its output is not recorded in the NEPOOL Market Settlement System and, as a result, must be monitored and verified by an independent monitor. The application states that Thomas Kelly, Natural Capital, will monitor the facility's output as required by the New Hampshire Code of Administrative Rules Puc 2505.08(b)(5).<sup>1</sup>

Staff has determined that you have provided all the necessary information to demonstrate that your residential photovoltaic array is eligible for certification to produce New Hampshire Class II RECs. Based on Staff's recommendation, the Commission hereby certifies that the 4.83 kW photovoltaic array at the Hamilton residence is a Class II renewable energy source effective June 11, 2012.

Attached please find a copy of the notice of this certification provided to the GIS administrator.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland", is positioned above the printed name.

Debra A. Howland  
Executive Director

---

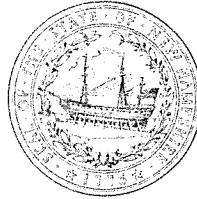

<sup>1</sup> On September 26, 2011, the New Hampshire Public Utilities Commission approved Thomas Kelly as an independent third party meter reader pursuant to the NEPOOL GIS Operating Rule 2.5 (j).

Re: DE 12-114, The Hamilton Residence Application Requesting Class II Eligibility for Renewable Energy Certificates (RECs) Generated by the 4.83 kW Photovoltaic Array at 47 Mariette Drive, Portsmouth, NH 03801-6068, Pursuant to RSA 362-F.  
**New Hampshire Certification Code NH-II-12-017**

Dear Mr. Webb:

Please be advised that, pursuant to RSA 362-F, the New Hampshire Public Utilities Commission has certified the combined photovoltaic arrays located at the Walter F. Hamilton III residence (Hamilton residence), 47 Mariette Drive, Portsmouth, NH as a Class II renewable energy source effective June 11, 2012. Accordingly, the Hamilton residence photovoltaic facility is eligible to be issued New Hampshire Class II renewable energy certificates.

The Hamilton residence photovoltaic facility has a total nameplate capacity of 4.83 kilowatts. Thomas Kelly, Natural Capital, the facility's independent monitor, will verify and report to the New England Power Pool Generation Information System (NEPOOL GIS). The applicant's NEPOOL GIS facility code is NON 34107. The facility's New Hampshire certification code is NH-II-12-017.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".
