Re: Docket No. DE 12-116
Public Service Company of New Hampshire
Reconciliation of 2011 Energy and Stranded Costs Charges
Report on Technical Session and Proposed Procedural Schedule

Dear Ms. Howland:

On May 7, 2012, the Commission issued an Order of Notice in the above-captioned docket scheduling a prehearing conference for June 5, 2012 which took place as scheduled. Public Service Company of New Hampshire (PSNH) and the Office of Consumer Advocate (OCA) appeared at the prehearing conference. TransCanada Power Marketing Ltd. and TransCanada Hydro Northeast Inc. (collectively, TransCanada) filed a petition to intervene and appeared at the prehearing conference. No ruling on the petition was made at the prehearing conference; however, TransCanada participated in the technical session that followed. In light of the proposed schedule, TransCanada expressed its preference that the Commission issue a ruling on its petition to intervene as soon as practicable.

At the technical session Staff and the Parties agreed to propose the following procedural schedule.
