Re: Intrastate Access Service Tariff Filing - REVISED

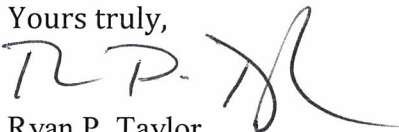

Dear Ms. Howland:

On May 1, 2012, Northland Telephone Company of Maine, Inc. d/b/a FairPoint Communications ("FairPoint") filed a complete copy of its intrastate Access Service Tariff for effect May 31, 2012. Although FairPoint utilized historical copies from paper and electronic files and information from the Northland Telephone Company of Maine tariffs for Maine to furnish a complete version of its intrastate Access Service Tariff for New Hampshire, certain additional changes were required. In an electronic correspondence dated May 15, 2012, Ms. Kathryn Bailey requested additional changes after her review of the proposed tariff.

FairPoint has made the requested changes, keeping all other information the same, including issue date and effective date. FairPoint respectfully requests the NHPUC accept this Access Service Tariff in its entirety as the original document maintaining the effective date of May 31, 2012.

Attached are copies of the tariff pages. Please return the copy of this filing marked "Receipt" with your stamp of receipt, and feel free to call me with any questions at 603.656.8102.

Yours truly,

Ryan P. Taylor
