Re: DT-12-123; AT&T Corp. Intrastate Access Reform

Dear Ms Howland:

Please find enclosed the original and three copies of the following materials from AT&T Corp. (AT&T") for filing in the docket referenced above:

- Confidential and Public versions of a revised spreadsheet template of AT&T's access rate calculations. The revised spreadsheet includes information for columns I and J.

These materials also will be submitted electronically.

Pursuant to Order No. 25,363, AT&T seeks confidential treatment of the demand level information in columns F-H and J of the shaded portion of the revised spreadsheet template, as well as the shaded portion at the top of the template, which displays the results of various calculations.

I also enclose a stamped, self-addressed envelope so that you can return one file-stamped copy of the materials to me. If you have any questions regarding these materials, please give me a call.

Respectfully submitted,

  
James A. Huttenhower
