Re: North American Power and Gas, LLC - Bond Requirement Update
CEPS License No. DM 12-138

Dear Ms. Howland:

This correspondence is being filed in response to David Goyette's discussion with Mr. Robert Munnely, outside counsel to North American Power and Gas, LLC ("NAPG" or the "Company") advising that the amount of security the Company has on file is below the required threshold. NAPG files the enclosed updated bond pursuant to New Hampshire PUC rules 2003.01(d)(4) to satisfy its security requirement for maintaining its Competitive Electric Power Supplier license.

If you have any questions or require any additional information, please contact me, at kjoseph@napower.com or (203) 663-9757.

Very truly yours,

Keenia Joseph
