Re: North American Power and Gas, LLC – Application Information for Competitive Electric
Power Supplier Registration
CEPS License No.: DM 12-138

Dear Ms. Howland:

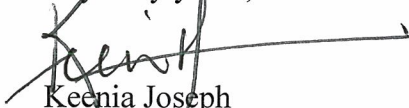

This correspondence is being filed by North American Power and Gas, LLC (“NAPG” or the “Company”) pursuant to New Hampshire PUC rules 2003.01 with respect to the requirement for Certified Electric Power Supplier (“CEPS”) to update the Commission of changes to the information on file relative to its application for registration as a New Hampshire CEPS that was issued on November 13, 2012:

Application Question 20

As reviewed and approved by Commission Staff, NAPG created and implemented a new product offering to customers and the attached additional contract will be used when residential and small commercial customers enrolls with NAPG for its fixed product with no early termination. The initial offering for this product will be for three (3) months, which may change overtime. A form contract in clean and redlined version is attached hereto as Exhibit A (clean) and B (marked).

If you have any questions or require any additional information, please contact me, at kjoseph@napower.com or (203) 663-9757.

Very truly yours,

Keenia Joseph
Director, Regulatory Affairs
