RE: Docket No: DM 12-145\_NextEra Energy Services New Hampshire, LLC Waiver Request for Puc 2003.03 Reporting and Financial Requirements of Competitive Electric Power Suppliers Pursuant to Puc 201.05

Dear Ms. Howland,

NextEra Energy Services New Hampshire, LLC ("NextEra Energy Services") hereby submits its waiver request for 2003.03 Reporting and Financial Requirements of Competitive Electric Power Suppliers Pursuant to Puc 201.05. In the month of July 2012, NextEra Energy Services was notified of a discrepancy in the amount of the guaranty submitted with its re-registration application.

NextEra Energy Services must request the amended guaranty from our corporate parent; therefore, granted the waiver serves the public interest, and will not disrupt the orderly and efficient resolution of matters before the commission, NextEra Energy Services is requesting a 45 day extension to have the guaranty currently on file with the Commission updated to meet the requirement.

Should you have any questions or need any further information, please contact me by phone at (713) 401-5542 or by email at [edwin.dearman@gexaenergy.com](mailto:edwin.dearman@gexaenergy.com).

Respectfully Submitted,
