Re: DW 12-157 Eastman Sewer Company, Inc.
Petition for Authority to Use Capital Funds

Dear Debra,

Earlier this month I submitted a request for PUC approval to use funds from our capital reserve to pay for recent capital projects. I apologize that I did not include six copies of the cover letter and supporting documents, as well as an electronic (PDF) version of the submittal. Please find those enclosed here. If you need any additional information to consider our request, please contact me at the address shown below or at (603) 863-4240.

Thank you again for consideration of our request.

Respectfully,

Brian Harding
General Manager
Eastman Sewer Company
