Re: DM 05-172, Investigation Into Utility Poles
Postponement of Technical Session

To the Parties:

On April 10, 2006, Staff filed a letter requesting that the Technical Session scheduled for April 11, 2006, be postponed until after the initial round of discovery on Topic 3, Utility Relationships with Governmental Entities and their Subcontractors.

The Commission has determined that postponing the Technical Session will not unduly delay the proceeding. Accordingly, the Technical Session has been postponed until June 9, 2006.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".

Debra A. Howland
Executive Director and Secretary
