STAFF 1-58: Reed Testimony, Attachments A-MCT, B-KTC, C-WTC, and D-HTC.

- a. Has the company estimated what percentage of broadband customers in each exchange do not purchase TDS basic local service?
- b. If not, please provide the aforementioned estimate, along with the analysis and accompanying relevant documents and work papers.

Response:

No, Petitioners have not estimated the number of customers who are cable broadband only or cable and wireless only. Our best estimates are provided in the loss of access lines accompanied by the loss of any growth in access lines contained in attachments A-D.

Michael C. Reed is responsible for this response.
