RE: DW 10-141 NHPUC No. 6 – WATER, Supplements No. 5, 6, and 7, 5th revised Page 10, 11 and 6th Revised Page 10

Dear Mr. Mason:

Staff has reviewed the filing received on June 10, 2013 in the above-captioned proceeding. During the review, Staff has found the following items which require correction and submission:

- a. Supplements No. 5, 6, and 7 each require their own title page pursuant to PUC Rule 1603.08(b)(2).
- b. As a general comment on Revised Pages, please list the current Revision and the Superseding Revision only, unless extenuating circumstances require additional previous Revisions to be listed.
- c. 5th Revised Page 10 currently reads; "Superseded 4th Revised Page 10". Please change the wording to "Superseding 4th Revised Page 10".
- d. 6th Revised Page 12 is in question with the Commission. We do not have a 5th Revised Page 12 on record within the Commission. Please change this revision to 5th Revised Page 12 or provide documentation proving that the 5th revision was accepted by the Commission.

In addition to the previously mentioned tariff revisions, the Company has not submitted tariff revisions associated with the following portion of PUC Order #25,496: "**FURTHER ORDERED**, that Lakes Region is authorized to recover a total of \$2,928.80 in managerial recruitment costs through a one-time surcharge of \$1.81 per customer to customer bills;" Supplement information should be submitted.

If you have any questions, please contact me at (603) 271-7092 or via e-mail at robyn.descoteau@puc.nh.gov.

Yours truly,
