

# STATE OF NEW HAMPSHIRE

## Intra-Department Communication

**DATE:** April 29, 2020

**AT (OFFICE):** NHPUC

**FROM:** Tanya Wayland, Energy Analyst

**SUBJECT:** DE 10-212, Commercial and Industrial Solar Rebate Program  
Recommendations for Canceling the Public Lottery and Application  
Processing Order

**TO:** Commissioners  
Debra A. Howland, Executive Director

**CC:** Karen P. Cramton, Director, Sustainable Energy Division  
David K. Wiesner, Director, Legal Division

Commission Staff (Staff) recommends cancellation of public lottery for the commercial and industrial solar incentive program (Program). Commission Order No. 26,336 recently approved Program modifications and directed Staff to conduct a lottery to allocate funding and establish application queue positions, clarifying that “[i]f it becomes apparent that the aggregate amount of new project incentives applied for will not exceed available program funds, then the lottery will be cancelled.”

As of April 26, 2020, Staff had received 51 electronic or paper copy rebate applications requesting approximately \$385,000. The available funding for new Program applications is approximately \$880,000. Because the aggregate amount of new project incentives applied for does not exceed the available Program funds, Staff recommends that the May 1, 2020 public lottery be cancelled.

Staff further recommends that Program applications be processed in a first-come, first-served sequence, based on the date that the electronic application was received or the date of the date stamp if only a paper copy of the application was received.
