Transfer of Shares

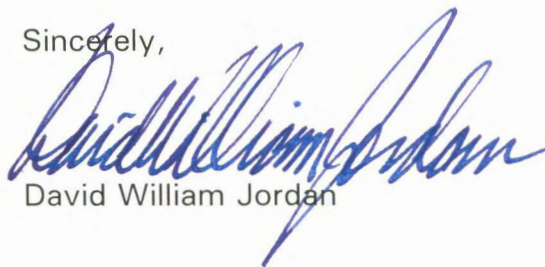

Dear Ms. Howland:

Enclosed are an original and 8 copies of each of two petitions to approve transfer. Electronic versions have been sent to executive.director@puc.nh.gov. The petitions are identical except for the name of the company, and in each company the dying shareholder transferred his shares to his surviving spouse. To conserve resources you may wish to process them together.

Thank you for your assistance. If you have any questions, please call.

Sincerely,

David William Jordan
