Dear Ms. Howland:

On July 3, 2012, Northern New England Telephone Operations LLC d/b/a FairPoint Communications - NNE ("FairPoint") filed a special contract for New Hampshire Public Utilities Commission ("Commission") approval. In the July 3, 2012 filing, FairPoint inadvertently referred to the special contract as an amendment.

FairPoint hereby files the original contract with the customer. This contract provides services at Tariff rates and no price floor demonstration is necessary.

FairPoint represents that the materials marked "Proprietary Information" pertain to the provision of competitive services; set forth trade secrets or other proprietary information falling within the scope of RSA 91-A:5 and PUC Rule 201:4(5) and are not general public knowledge or published elsewhere; FairPoint having taken measures to prevent dissemination of the information in the ordinary course of business. FairPoint does not oppose the distribution, upon valid request, of the attached copies of the Special Contract that has been redacted to remove the customer's name and other identifying information, but leaving all other terms and conditions. The unredacted version should continue to be treated as proprietary. Pursuant to PUC 203.08, FairPoint represents that a motion for confidentiality will be filed in advance of any hearing on these issues, if any.

Please return the copy of this filing marked "Receipt" with your stamp of receipt.

Yours truly,
