Customer applies for and agrees to purchase from the undersigned FairPoint Communications operating telephone company the services identified below and as further described in FairPoint Communications applicable tariffs (the "Services"), for a minimum period of Thirty Six (36) consecutive months (the "Service Period"). The Services will be provided subject to the terms and conditions of FairPoint Communications applicable tariffs in effect during the Service Period (the "Tariffs"), which are incorporated by this reference.

The Service Period will be scheduled to commence on July 1, 2012, subject to FairPoint Communication's completion of any work or installation of facilities needed to provide the Services. The Services and the rates for the Services shall be as set forth in the Tariffs, which rates are summarized in the attached Exhibit A. In the event of a conflict between the Tariffs and this Application, the Tariffs shall control. Customer represents that its execution of this Application is based solely on its independent assessment of the rights and obligations set forth herein and not on any other oral or written quotations, communications, understandings or agreements.

In the event any of the Services are hereafter detariffed, the terms of the tariffs in effect immediately prior to such Detariffing shall be deemed to be incorporated by reference in this Application and shall create a binding agreement with Customer for the Services. This agreement shall apply to the provision of the Services to the same extent as such Tariffs applied hereunder prior to such Detariffing and shall remain in effect until the Services are terminated or until replaced by another agreement.
