Re: DT 12-205, Amendment to Wireless Traffic Exchange Agreement between
T-Mobile USA, Inc. and TDS Telecommunications

Dear Ms. Thomas:

On July 11, 2012, the Commission received the Amendment to Wireless Traffic Exchange Agreement between T-Mobile USA, Inc., and TDS Telecommunications Corporation. The proposed amendment is being incorporated into the agreement as a result of recent orders of the Federal Communications Commission regarding intercarrier compensation charges between local exchange carriers and commercial mobile radio service carriers.

The Commission has reviewed the filing and will allow the amendment to go into effect. Our records will be updated in accordance with the filing and the amendment will be posted on the Commission's website.

Sincerely,

Debra A. Howland
Executive Director
