**Re: DG 12-242      Rate case expense surcharge**

Dear Ms. Howland:

Enclosed for filing are an original and six copies of Concord Steam Corporation's 2013 Supplemental #7 tariff page 1. This is a surcharge on our rate to recover rate case expenses. This surcharge was supposed to go into effect in May of 2013, however the Company failed to apply it. Staff alerted us to this so we will institute the surcharge now and will cease the surcharge on May 1 of 2014, as originally ordered by the Commission in Order # 25,499 (April 25, 2013, page 4).

Please cancel the tariff page labeled 'DR 92-130 Calculation of the Recoupment Surcharge' and the supplemental tariffs #3 and #6 as these expired years ago.

Yours Truly,

Peter Bloomfield, PE  
President
