RE: DE 12-262, CORE Energy Efficiency Programs
Ancillary Savings Report - Update

Dear Ms. Howland:

On March 29, 2013, the electric utilities submitted a report on ancillary savings of electricity as directed in Order No. 25,402 (August 23, 2012) in Docket No. DE 10-188. As was noted in the cover letter to that submission, due to the receipt of late-filed comments, some of the information in the report was subject to updates. The utilities stated that they would file an updated report no later than Friday, April 5, 2013. Consistent with that commitment, the utilities herein provide an updated version of the ancillary savings report for consideration by the Commission and interested parties.

Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum
Counsel
