RE: Docket DE 12-262: CORE Energy Efficiency Programs

Dear Ms. Howland,

On January 28, 2016, Unitil Energy Systems, Inc. ("Unitil") filed, in connection with the above-referenced Docket, an update to its 2014 Annual Report and Performance Incentives calculations relating to Unitil's energy efficiency programs. Unitil made this filing subsequent to the conclusion of a performance audit of Unitil's 2014 CORE Energy Efficiency programs by the Public Utilities Commission's Audit staff.

Unitil recently discovered an error relating to the amount of summer demand savings planned and reported. Revisions are indicated on the enclosed pages. These revisions do not affect the performance incentive calculation and are provided for informational purposes.

If you have any questions, please do not hesitate to contact me.

Regards,
