Re: Re: DE 12-264, Turn Cycle Solution  
Request for Michael J. Turcotte to be Certified as an Independent Monitor  
Pursuant to Puc 2502.09

Dear Mr. Turcotte:

On August 30, 2012, Turn Cycle Solutions submitted an application on your behalf seeking certification for you to serve as an independent monitor for owners of customer-sited sources in New Hampshire that qualify for New Hampshire renewable energy certificates (RECs), pursuant to N. H. Code of Administrative Rules Puc 2505.09.

Staff has reviewed the application and believes it meets the requirements for certification inasmuch as you are currently certified as a building analyst professional by the Building Performance Institute, Inc. Based on Staff's recommendation, the Commission has determined that your application meets the requirements for certification pursuant to N.H. Code Admin. Rules Puc 2505.09.

Additionally, please bear in mind that all independent monitors in the State of New Hampshire are subject to specific requirements spelled out in Puc 2505.09(h), (i), and (j). These rules can be found on our website at <http://www.puc.state.nh.us/Regulatory/Rules/Puc2500.pdf>. If you have any questions regarding these provisions, please contact the Commission.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".

Debra A. Howland  
Executive Director
