Re: New Hampshire Electric Cooperative, Inc. Certification Applications for Class II  
Eligibility on Behalf of the Following Homeowners Pursuant to RSA 362-F:

<b>DE 12-277</b>	<b>Daniel J. Marisseau</b>	<b>DE 12-279</b>	<b>Chuck Hulse</b>
<b>DE 12-280</b>	<b>Philip Lonergan</b>	<b>DE 12-281</b>	<b>David Dunkel<sup>1</sup></b>
<b>DE 12-282</b>	<b>David Dunkel<sup>2</sup></b>	<b>DE 12-283</b>	<b>David Horton<sup>3</sup></b>

Dear Mr. McNeil:

On September 20, 2012, you submitted applications on behalf of the above-named applicants requesting the Commission grant approval of photovoltaic facilities located at each of their residences to produce Class II, Renewable Energy Certificates (RECs) pursuant to RSA 362-F, New Hampshire's Electric Renewable Portfolio Standard law. Staff has reviewed these applications and has recommended approval of the above-named applicants' photovoltaic arrays as eligible for Class II RECs effective September 20, 2012.

Since these facilities are customer-sited sources, the output is not recorded in the New England Power Pool Market Settlement System and, as a result the output must be monitored and verified by an independent monitor. Your application states that NHEC will monitor the facilities' output as required by N.H. Code of Administrative Rules Puc 2505.08 and 2505.09. These facilities' total output will also be included in the *NHEC*

<sup>1</sup> PV array located at 201 Ryans Road, Holderness, NH.

<sup>2</sup> PV array located at 190 Ryans Road, Holderness, NH.

<sup>3</sup> DE 12-232 requested REC eligibility for David Horton's 1<sup>st</sup> PV array. DE 12-283 requests REC eligibility for a second PV array.

*Class II Aggregation's* total output reported to the NEPOOL Generation Information System as approved by the Commission on April 9, 2010.

The details for these facilities are listed in the following table:

Docket #	Facility Owner	Facility Location	Total MW listed in application (DC Arrays)	Effective Date to Produce RECs	NH Certification Code
DE 12-777	Marisseau	Tuftonboro	.0048	09-20-12	NH-II-12-063
DE 12-279	Hulse	Center Harbor	.01078	09-20-12	NH-II-12-064
DE 12-280	Loneragan	Campton	.0135	09-20-12	NH-II-12-065
DE 12-281	Dunkel	Holderness	.0036	09-20-12	NH-II-12-066
DE 12-282	Dunkel	Holderness	.016	09-20-12	NH-II-12-067
DE 12-283	Horton	Holderness	.00495	09-20-12	NH-II-12-068

The Commission has determined that NHEC has provided all the information necessary to demonstrate these facilities' eligibility for certification and hereby certifies the above-named residential photovoltaic arrays as eligible for Class II RECs effective September 20, 2012.

Sincerely,

Debra A. Howland  
Executive Director
