Re: Public Service Company of New Hampshire
Stranded Cost Recovery Charge – Docket No. DE 12-291
Default Energy Service Rate – Docket No. DE 12-292
Cover Letter Correction

Dear Secretary Howland:

Earlier today, Public Service Company of New Hampshire filed its reconciliation of Stranded Cost Recovery Charge (SCRC) and Energy Service (ES) revenues and expenses for the interim period January 1, 2013 through March 31, 2013. In the cover letter to that filing, the following paragraph as included:

- (2) The ES revenues exceeded ES expenses resulting in an under recovery of approximately \$54.0 million (including Scrubber-related revenue and expenses), as shown on page 6 of the attached filing.

That paragraph misstated the relationship of ES expenses and revenues. The paragraph should read:

- (2) The ES expenses exceeded ES revenues resulting in an under recovery of approximately \$54.0 million (including Scrubber-related revenue and expenses), as shown on page 6 of the attached filing.

This error occurred only in the cover letter. The underlying information remains unchanged.

My apologies for the oversight. Please do not hesitate to contact me with any questions.

Sincerely,

Matthew J. Fossum
Counsel
