Re: Public Service Company of New Hampshire
Stranded Cost Recovery Charge - Docket No. DE 12-291
Default Energy Service Rate - Docket No. DE 12-292

Dear Director Howland:

Enclosed please find Public Service Company of New Hampshire's reconciliation of Stranded Cost Recovery Charge (SCRC) and Energy Service (ES) revenues and expenses for the interim period July 1, 2013 through September 30, 2013. In the Stipulation and Settlement filed in Docket No. DE 02-127, PSNH, the Office of Consumer Advocate (OCA) and Staff agreed that PSNH would make preliminary quarterly filings reconciling SCRC and ES revenues and expenses.

The preliminary results for the third quarter of 2013 indicate the following:

- (1) The SCRC expenses have exceeded SCRC revenues resulting in an under recovery of approximately \$4.8 million, as shown on page 1 of the attached filing.
- (2) The ES expenses exceeded ES revenues (including Merrimack Scrubber) resulting in an under recovery of approximately \$6.4 million, as shown on page 6 of the attached filing.

This report is being filed electronically and one paper copy is being sent to the Commission. Copies of this filing have been e-mailed to the persons on the attached service list.

Very Truly Yours,

Matthew J. Fossum
Counsel
