Re: DT 12-318 Hollis Telephone Company Access Tariff Filing: Alternate Billing Schedules

Dear Ms. Ladwig:

On September 14, 2012, Hollis Telephone (Hollis) filed a revision to its NHPUC Tariff No. 12, to take effect on October 15, 2012. This revision establishes a process under which Hollis may establish different billing schedules for access service. For example, this would allow Hollis to bill wholesale customers that incur very low usage each month only when the accumulated usage reached a particular threshold, such as five dollars.

Staff has reviewed the tariff revision and concluded that it reasonably balances the operational concerns of Hollis and the interests of wholesale access customers, and should be allowed to remain in effect without modification.

The Commission has accepted Staff's assessment. Pursuant to RSA 378:3 and RSA 378:6, IV, the revision has gone into effect by operation of law on October 15, 2012. Tariff pages should be filed referencing Docket No. DT 12-318 and reflecting the effective date of October 15, 2012.

Sincerely,

Debra A. Howland Executive Director

## SERVICE LIST - EMAIL ADDRESSES - DOCKET RELATED

Pursuant to N.H. Admin Rule Puc 203.11 (a) (1): Serve an electronic copy on each person identified on the service list.
