Tariff to Withdraw Centrex from Expansion Pak II

TO: Debra Howland, Executive Director
Kate Bailey, Director - Telecommunications

On November 13, 2012, Northland Telephone Company of Maine, d/b/a FairPoint Communications (Northland) filed a letter stating it is withdrawing Centrex from its Expansion PAK II bundled offering. According to the letter, no customers have subscribed to the Unlimited Centrex Basic Package since its introduction in 2011.

Staff has reviewed the filing and compared the current and proposed portions of Northland's tariff related to the submission, and found no issues. Staff recommends that the proposed tariff change, as submitted, should be allowed to go into effect by operation of law.
