Re: DT 12-337, FairPoint Communications - Wire Center Investigation

Dear Ms. Howland:

The CLEC Association of Northern New England (CANNE) is represented by Gregory Kennan in the above-named docket. Mr. Kennan is on vacation, and is not scheduled to return until just a few business days before briefs are due on September 4.

Accordingly, CANNE requests additional time for filing of briefs in this docket, extending the due date to Monday, September 9. I have contacted FairPoint and Staff regarding this request; neither party has any objection to this request.

We appreciate any consideration the Commission can provide us in this regard.

Sincerely,

A handwritten signature in cursive script that reads "Kath Mullholand".
