Subject: Petition to Intervene in DW 12-359, Pennichuck Water Works, Inc Petition for Approval of Water Infrastructure and Conservation Adjustment (WICA)

Dear NHPUC Commissioners and Executive Director:

I herewith file my Petition to Intervene in **Docket # DW 12-359**, Pennichuck Water Works, Inc Petition for Approval of Water Infrastructure and Conservation Adjustment (WICA).

NHPUC Order No. 25,292 (Docket No. DW 11-026) authorized a \$5 million Rate Stabilization Fund, and noted the intent for the combined Pennichuck Corporations to file a rate case before 1 June 2013.

There was no discussion anytime under DW 11-026, not in the associated Settlement Agreement and not in NHPUC Order No. 25,292 the need for a WICA Adjustment to supplement a rate case before 1 June 2013.

I have repeatedly voiced my concern during the DW 11-026 proceedings with Pennichuck Corporation's ability to reimburse the City of Nashua annually nearly \$9 million for 30 years for the cost of the 100% leveraged acquisition, without a substantial increase over the rates paid under the previous (pre-acquisition) ownership.

The attached letter further supports the rational for my petition, pursuant to PUC Administrative Rule 203.17 and RSA 541-A:32, I (b):

"The petition states facts demonstrating that the petitioner's rights, duties, privileges, immunities or other substantial interests may be affected by the proceeding"

Sincerely,

Fred S. Teeboom
