Re: DM 12-367, MSI Utilities – Your Energy Partner
Registration as a Natural Gas Aggregator

Dear Mr. Warner:

On December 26, 2012, MSI Utilities, Inc. filed with the Commission an application for registration as a natural gas aggregator, together with the application fee of \$250.00. On January 28, 2013, MSI Utilities – Your Energy Partner (MSI) filed a corrected application to reflect its approved trade name, as well as a copy of the certificate of authority from the New Hampshire Secretary of State. The application was re-filed and updated by MSI by a filing made on February 4, 2013, in response to a Staff deficiency letter dated January 30, 2013.

Following review of the filing, Commission Staff determined that the application for registration as a natural gas aggregator meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003.04. On February 7, 2013, Staff filed a recommendation to approve the application. The Commission will approve the registration with an effective date of February 13, 2013. This is an initial natural gas aggregator registration and as such carries a term of two years from the approval date; therefore, the registration will expire at the end of business on February 12, 2015.

Additionally, please bear in mind that, pursuant to N.H. Code Admin. Rules Puc 3003.05 (a), each aggregator shall re-register with the Commission by filing an application for renewal at least 60 days prior to the expiration of its registration, i.e., in the case of MSI, on or before December 12, 2014. Registration instructions and a checklist of requirements to properly file a renewal registration application are located on the Commission website at <http://www.puc.nh.gov/Gas-Steam/CNGS-Aggregator%20registration%20application%20instructions%20and%20checklist.pdf>.

All registered Natural Gas Aggregators in the State of New Hampshire are subject to specific requirements spelled out in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules can be found on our website at (<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>). MSI should take care to comply with these provisions. If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,

Debra A. Howland
Executive Director
