Re: Rosebrook Water Company, Inc. – Affiliate Contract

Dear Ms. Howland:

Enclosed pursuant to RSA 366:3 is a verified copy and 6 additional copies of an amended affiliate contract entered into by Rosebrook Water Company, Inc. It is a revision to the agreement entered into and effective on January 1, 2013 between Rosebrook Water Company, Inc. and Resort Waste Management for management services. It was submitted as Attachment 5 to my letter to you dated January 2, 2013. The modified agreement addresses the rate of payment by Resort Waste. This same agreement was submitted to the PUC Staff on June 4, 2013 in response to the Staff Data Request 2-7(c) in the pending Rosebrook Water rate case (DW 12-306).

A compact disk containing the attached is also enclosed. Because this filing is not made directly in the two open dockets for Rosebrook Water, I am not sending a copy to the Electronic Service List.
