**RE: Twin Cities Power, LLC d/b/a Town Square Energy
Application for License as a Competitive Electric Power Supplier
Docket Number DM13-027**

Dear Ms. Howland:

We are hereby requesting a further extension to June 30, 2013 to complete our license application. Earlier this spring, we submitted all required documents to both Unitil and PSNH, along with requests for EDI testing. At this point, we simply await the conclusion of the testing with either utility so that we may provide evidence to your Commission that this process is complete.

Additionally, we intend to submit bonding information concurrent with proof of EDI completion to finalize our application.

Please do not hesitate to call with any questions and thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "WHS" followed by a stylized flourish.
