**2013 Summer Period Cost
of Gas Adjustment**

ORDER OF NOTICE

On March 14, 2013, New Hampshire Gas Corporation (NHGC) filed with the New Hampshire Public Utilities Commission (Commission) its proposed cost of gas (COG) rates for the summer period, May 1, 2013 through October 31, 2013. Included in the filing were revised tariff pages, and supporting materials for the changed rates. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at <http://www.puc.nh.gov/Regulatory/Docketbk/2013/13-082.html>

The proposed COG rate is \$1.4892 per therm, a \$0.1164 per therm increase from the average COG rate of \$1.3728 per therm for last summer. The proposed change to NHGC residential COG rate, combined with the deferred revenue charge and increase in the Local Distribution Adjustment Charge effective November 1, 2012, is expected to increase a typical residential heating customer's summer bill by approximately \$60, or 7 percent, compared to last summer.

The filing raises, *inter alia*, issues related to: RSA 378 and the justness and reasonableness of rates, fares, and charges; the reasonableness of sales forecasts, supplier prices, and transportation prices; reconciliation of prior period costs and revenues; the causes and treatment of a prior period over-recovery; and revenues and rate impacts resulting from the proposed rate changes. Each party has the right to have an attorney represent the party at the party's own expense.

Based upon the foregoing, it is hereby

ORDERED, that a hearing be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on April 17, 2013 at 1:30 p.m.; and it is

FURTHER ORDERED, that pursuant to N.H. Code Admin. Rules Puc 203.12, NHGC shall notify all persons desiring to be heard at this hearing by publishing a copy of this Order of Notice

NHGC shall notify all persons desiring to be heard at this hearing by publishing a copy of this Order of Notice no later than March 26, 2013, in a newspaper with general circulation in those portions of the state in which operations are conducted, publication to be documented by affidavit filed with the Commission on or before April 15, 2013; and it is

FURTHER ORDERED, that pursuant to N.H. Code Admin. Rules Puc 203.17, any party seeking to intervene in the proceeding shall submit to the Commission seven copies of a Petition to Intervene with copies sent to NHGC and the Office of the Consumer Advocate on or before April 15, 2013, such Petition stating the facts demonstrating how its rights, duties, privileges, immunities or other substantial interest may be affected by the proceeding, as required by N.H. Code Admin. Rule Puc 203.17 and RSA 541-A:32, I(b); and it is

FURTHER ORDERED, that any party objecting to a Petition to Intervene make said Objection on or before April 17, 2013.

By order of the Public Utilities Commission of New Hampshire this twentieth day of March, 2013.
