**RE: DG 13-085 EnergyNorth Natural Gas, Inc.  
2013 Summer Period Cost of Gas – July 2013 Trigger**

Dear Ms. Howland:

On behalf of EnergyNorth Natural Gas, Inc. d/b/a Liberty Utilities (the "Company") and in accordance with New Hampshire Public Utilities Commission Order No. 25,501, dated April 29, 2013 in Docket DG 13-085, I enclose an original and two copies of the Company's current calculation of its projected over or under collection of gas costs for the 2013 summer season ending October 31, 2013.

For May and June 2013, the calculation reflects the actual NYMEX settled prices on April 26, 2013 and May 29, 2013, respectively. For July through October 2013, the calculation reflects the 15-day average NYMEX settled prices as of June 14, 2013. The resulting projected over collection of \$120,401 is approximately 0.95% of the total anticipated gas costs for the 2013 summer season. Accordingly, the Company does **not** elect a rate change effective July 1, 2013, and therefore, has not attached any revised tariff pages.

The cost of gas rates are summarized in the following table.

	Cost of Gas Rates		
	<u>Current Rate</u>	<u>Revised Rate</u>	<u>Change</u>
Residential	\$0.7091	\$0.7091	\$0.0000
Commercial/Industrial High Winter Use	\$0.7118	\$0.7118	\$0.0000
Commercial/Industrial Low Winter Use	\$0.7020	\$0.7020	\$0.0000

The filing has also been submitted electronically to the Commission in accordance with Order Number 24,223 issued on October 24, 2003.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Rachael P. Polymario". The signature is written in a cursive style with a large, looped "R" and a stylized "P".  
For

Christiane G. Mason
