On May 9, 2013, Staff submitted a letter to Ultimate Energy to request additional information to complete the application. On May 20, 2013, Ultimate Energy responded to Staff's requests.

Staff has reviewed the information in the application and determined that the filing is complete. Staff, therefore, recommends approval of Ultimate Energy's application for registration as a natural gas aggregator, effective as of the date the Commission's approval letter, for a term of 2 years.
