Proposed Change to Procedural Schedule

Dear Ms. Howland:

The above companies, the Office of the Consumer Advocate (OCA), Staff, and intervenors have discussed consolidating the technical sessions scheduled for February 27, 26, and 25, respectively, for these companies. Because these dockets largely involve the same participants, we have reached agreement to hold the technical sessions on February 25, 2013 for all three dockets, beginning at 9 a.m. We are requesting the Commission approve this change to the procedural schedule.

During the discussions concerning the technical session, it came to light that a cost-of-service expert involved in the Pennichuck East Utility, Inc. proceeding will be out of the country during the time of the technical session. Staff and the parties have thus agreed that if cost-of-service questions arise after the technical session, we will convene a conference call or meeting at a later date, but prior to the date for Staff, OCA, and intervenor testimony. Thank you in advance for your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. Brown".
