RE: Petition of Sovernet Fiber Corp. to construct and maintain fiber optic communications cable over and across the Mascoma River, a New Hampshire Public Water.

Dear Ms. Howland,

Sovernet Fiber Corp. ("SFC") proposes to construct and maintain a fiber optic telecommunications cable over and across the Mascoma River at one location within the City of Lebanon: the Mascoma River at Bank Street Extension. This cable will be attached to existing utility poles, to which are currently attached other wires that cross the same waterway.

Included with this letter are one (1) original, six (6) copies, and an electronic version (disk) of the petition.

If you have any questions or further requirements regarding this petition, feel free to contact me at 802-460-9133 or [LLackey@sover.net](mailto:LLackey@sover.net).

Respectfully Submitted,
