RE: DG 13-198 Line Extension Policy – Updated Extra Footage Charge

Dear Ms. Howland:

On February 4, 2014, Liberty Utilities (EnergyNorth Natural Gas) Corp. filed updated Service and Main Extensions tariff pages to Tariff N.H.P.U.C. No. 7 - Gas with the Commission, in compliance with the Commission’s Order No. 25,624 dated January 24, 2014, in Docket No. DG 13-198. It was recently discovered that the new service Extra Footage charge found under Section 7(A)(6) of the General Terms and Conditions on First Revised Page 10 was calculated incorrectly. The current Extra Footage charge of \$45.64 includes overheads in error. The corrected Extra Footage charge of \$37.21 is based on 2013 actual data and excludes overheads. After making this correction from the effective date of February 1, 2014, eight customers are impacted and the total refund is \$2,074.01.

In order to correct this error, enclosed for filing is an original and two copies of the following check sheet, page 10 of Section 7(A) of N.H.P.U.C. No. 7 – Gas, Tariff for Gas Service. Also, enclosed for filing is an original and two copies of Appendix A which is the calculation of the Extra Footage charge and the calculation of the Customer Refund.
