Communications  
Administrative Tariff Filing

**TO:** Commission  
Debra Howland, Executive Director

On July 26, 2013, Northland Telephone of Maine, Inc. d/b/a FairPoint Communications (Northland) submitted administrative revisions to specified pages of its Tariff No. 1. The revisions include corrections for spelling and clarification of content without change of terms or conditions, edits to make the format consistent, the addition of a page for Directory Assistance Call Connect Service, which became effective March 27, 2003, and consolidation of text by moving text from the current page to the previous page.

Staff has reviewed the administrative revisions and confirmed that the changes are appropriate. Staff, therefore, recommends that the administrative tariff filing be allowed to go into effect as submitted.
