Re: DT 13-243 Sprint Communications Co., L.P.,
Petition to Increase Price for Telecommunications Relay Service

To the Parties:

On February 18, 2014, the Commission issued Order No. 25,629, approving an increase, on a *nisi* basis, to the rates for telecommunications relay service (TRS) provided by Sprint Communications Co., L.P. (Order *Nisi*). The Order *Nisi* provided an opportunity for interested parties to comment on the Commission's decision or to request a hearing, before the order went into effect. No comments or requests for hearing were received and the order became effective on March 18, 2014.

At Sprint's request, the Commission did not disclose the price per session minute for TRS or captioned telephone service in the Order *Nisi*, but stated that the rates would be made public after the Order *Nisi* became effective.

The approved rates per session minute are \$1.42 for TRS and \$1.65 for captioned telephone service, and the approved rate for outreach is \$7,250 per month. If you have any questions, please do not hesitate to contact the Telecommunications Division.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
