## Intra-Department Communication

**DATE:** December 03, 2013

**AT (OFFICE):** NHPUC

**FROM:** Barbara Bernstein   
Sustainable Energy Analyst

**SUBJECT:** **DE 13-310**, Application for Registration as an Aggregator of Certified Renewable Energy Sources  
**Staff Recommends Registration Be Approved**

**TO:** Chairman Amy L. Ignatius  
Commissioner Robert R. Scott  
Commissioner Michael Harrington  
Debra A. Howland, Executive Director and Secretary

**CC:** Jack K. Ruderman, Director of the Sustainable Energy Division   
Michael Sheehan, Staff Attorney

### *Summary*

On October 29, 2013, Hurricane Hill Development Company, PLLC (Hurricane Hill) submitted a request to be registered by the Commission as an aggregator of RECs generated by customer-sited sources, pursuant to New Hampshire Code of Administrative Rules Puc 2506. Staff has reviewed the Hurricane Hill request and has determined that it meets the eligibility requirements under Puc 2506 and recommends approval effective October 29, 2013.

### *Analysis*

Pursuant to Puc 2506.01 (a), a person not otherwise qualified to obtain certificates as a provider of electricity may purchase, combine, and re-sell whole or fractional certificates issued by the Commission to customer-sited sources<sup>1</sup> by registering as an aggregator. To qualify as an aggregator, the following must be provided:

- 1) *The name of the aggregator:* The applicant is Hurricane Hill Development Company, PLLC.

---

<sup>1</sup> Pursuant to RSA 362-F:2, V, and Puc 2502.13 "Customer-sited source" means a source that is interconnected on the end-use customer's side of the retail electricity meter in such a manner that it displaces all or part of the metered consumption of the end-use customer.

- 2) *The address and telephone number of the aggregator:* The office address provided for Hurricane Hill is 1042 Hurricane Hill Road, Mason, NH 03048. The telephone number is 603-878-1726.
- 3) *Identification of the independent monitor or monitors responsible for verifying the production of energy from the applicable customer-sited sources.* The independent monitor will be Natural Capital, LLC.
- 4) *A disclosure of whether there is any family or business relationship between such independent monitor and the aggregator:* Tina McGuire, Hurricane Hill, indicated that there is no family or business relationship between Natural Capital, the independent monitor, and the aggregator.
- 5) *A description of how the monitor will be compensated for its services:* The Hurricane Hill application states that the services of the independent monitor will be paid directly by the facility owner, according to the monitor's published service rate.

In order to qualify as an aggregator of renewable energy certificates, Hurricane Hill obtained GIS facility code NON38471.

#### ***Recommendation***

Staff has reviewed the Hurricane Hill request for Commission approval as an aggregator for RECs generated from customer-sited sources and can affirm it is complete pursuant to New Hampshire Code of Administrative Rules Puc 2506. Staff recommends that the Commission approve Hurricane Hill's registration request to be an aggregator of customer-sited sources in New Hampshire effective October 29, 2013.
