Concord, NH 03301-2429

Dear Ms. Howland,

We respectfully submit our renewal application for license as an Aggregator in the state of New Hampshire.

Ecova, Inc., company profile:

- Length of time in business: 18 years
- Length of time in the electric and natural gas business: 18 years
- Date of Organization: November 6, 1995

Company History : "Founded in 1995, as WWP Energy Solutions (and formerly known as Avista Advantage), Applicant pioneered the utility expense management industry, and today, continues as a leader in the field – offering facility information and expense management services not only for utility costs but also for telecom, lease and waste services. As the developer and provider of Performance IQ, our patented reporting system, Applicant provides world-class outsourced bill payment, auditing, reporting and enhanced consulting services for multi-site companies nationwide. We offer clients a superior and effective solution for the management and payment of facility-related energy and telecom costs – converting bill data into actionable intelligence about each facility."

On or about July 2, 2008, Ecova merged with Cadence Network, Inc., a Delaware corporation, where Cadence Network, Inc. was the disappearing corporation and Ecova was the surviving corporation. On September 1, 2009 Ecova acquired Ecos IQ, Inc., a Portland, Ore.-based energy efficiency solutions provider and subsequently merged with them on January 13, 2012, with Ecova being the surviving corporation. On or about January 1, 2011, Ecova acquired substantially all of the assets and liabilities of The Loylton Group, Inc., a Minneapolis-based energy management company. On January 23, 2012, Ecova merged with Prenova, an Atlanta-based energy management company. On February 6, 2012, the merger of Ecova with LPB Energy Management ("LPB"), a Dallas-based energy management company was completed with Ecova being the surviving corporation.

Ecova is owned by a publicly traded company, Avista Corp, (NYSE: AVA) and therefore our audited financial information can be found at:

Attachment 3 - Key Operating Personnel

Craig Schilling, VP Facility Expense Services

As the senior individual responsible for all client service delivery, Craig leads a team of Utility Expense Management, Energy Procurement, Facility Optimization, IT and Sustainability experts in providing high level, value driven solutions to the client. Craig spent two year leading the Energy Procurement and IT team in support of client contract transactions and customer technology collaborative tools before his current position. Craig brings 15 years of financial market and trading experience with a BS in Business from the University of Minnesota and an MBA from the University of Phoenix. Craig is a former Naval Aviator and a Commander in the U.S. Navy Reserve.

Melody Swanson, Sr. Director Energy Procurement

Melody is an expert in the field of energy procurement and has worked with Ecova, Inc. for more than twelve years. Melody serves as the primary resource for client risk assessment and analytics, working with clients to evaluate and establish custom energy procurement strategies. Her team currently manages over \$15 billion in annual energy expenditures for clients and works with nearly 200 multi-site clients. Having worked as a Market Manager in every market in the U.S. and Canada for both gas and electric, Melody assisted in the development of the Ecova, Inc. Energy Procurement service offerings. Melody played a crucial role in the development of proprietary analytic tools including: Value at Risk reporting (VAR), energy forecasting, and historical analytical instruments that evaluate current and historical wholesale energy prices to identify timing and strategy for executing energy hedge positions. She developed complex hedging strategies for large energy users and built custom energy reports, such as benchmark reports, savings calculators, and volatility and risk assessments.

Brad Gawboy, Sr. Director Rates/Expense Management

A degreed engineer and graduate of the U.S. Naval Academy, Brad has worked in the energy industry for 25 years. He began his career in electric generation and then served for an extended period in the marketing and national account sales arena in the utility industry. Brad leads Ecova, Inc.'s electricity procurement solutions in deregulated states and spearheads service offerings related to demand response and the emerging Smart Grid. He is a Captain in the U.S. Navy Reserves.

Dennis Pearson - Senior Director, Supply Solutions

As Senior Director, Supply Solutions, "Denny" brings nearly 30 years of multi-faceted, energy-related experience to Ecova Inc. Denny's experience includes hands-on operational expertise at interstate and intrastate natural gas pipeline transmission systems that move supplies from the producing regions to individual citygates located throughout the lower 48 states and to de-regulated Canadian provinces. Denny's operational and marketing experience also includes field and market storage operations, local distribution company ("LDC) delivery systems from the citygate to the meter, and marketing and retail sales of natural gas supply and electric supply throughout North America.

During the past 15 years, Denny has focused on developing and negotiating a broad range of value-added, energy-related products and services that are tailored to meet risk management strategies of individual, client-specific portfolios that are located in deregulated environments. Denny is responsible for developing, managing, maintaining, and growing Ecova's supplier network throughout North America while also insuring that state-mandated licensing requirements are met.

Steven Huber – Senior Manager, Energy Procurement Services

Steve has been with Ecova for 6 years and is market expert in the procurement of energy in all deregulated natural gas and electric markets. Steve leads a team of 18 highly skill analysts in the procurement activities for Ecova's clients in all deregulated markets of the U.S. and Canada. He and his team are responsible for understanding all utility tariffs in the deregulated market place, and to provide our clients with transparency into these markets through our detailed analysis of Retail Provider pricing and Local Distribution Company pricing. Transparency is provided through our competitive bidding process, and our detailed analysis of both bid pricing and LDC pricing. Steve is also responsible for ensuring that only licensed retail providers are used in our competitive bid process and who are recommend to our clients. Steve is a military veteran with 25 years of service in the U.S. Navy, prior to working for Ecova.
